NIKE GUIDELINES*

If you're on the borderline between two sizes, order the smaller size for a tighter fit or the larger size for a looser fit. If your measurements for bust and waist correspond to two different suggested sizes, order the size indicated by your bust measurement

HOW TO MEASURE

BUST

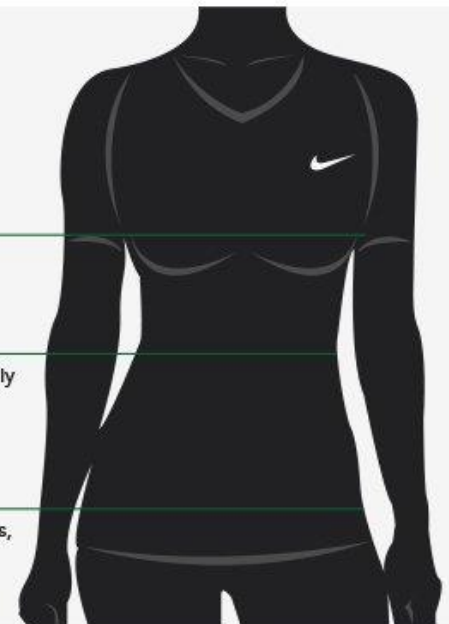

Measure around the fullest part of the bust, keeping the tape horizontal

WAIST

Measure around the narrowest part (typically the small of your back where your body bends side to side), keeping the tape horizontal

HIPS

Measure around the fullest part of your hips, keeping the tape horizontal
